Special Dedication: Mrs. Searles

Mrs. Searles sits in B-wing office and takes the weight of the futures of the students of BHS on her shoulders. To underclassmen she may be merely a friendly face seen on occasion during trips to guidance counselors. However, to seniors, she has the most important and most difficult job in the school. She sends out the transcripts and guidance recommendations for every senior, to every school to which they apply. This requires patience, diligence, and a positive attitude at all times. Even at times of great stress, the week before Christmas vacation when procrastinators are scrambling to meet deadlines, Mrs. Searles can still be found with a smile on her face and words of comfort to share. Thank you so much for your help and your time. We really appreciate it!

In October, Mr. Lapenna was invited to visit the Marine Parris Island Base as part of a program for educators. He was able to gain further knowledge about the Marine Corps traditions and the daily activities of the cadets stationed at Parris Island. Lapenna was able to navigate the base and get a first-hand look at the many tasks recruits have to do during their thirteen week training camp. He was actually able to participate in some of the activities. He was also able to watch the graduation ceremony and feels that he learned a lot during this unique experience.

In Memorium:

Dr. John W. Coleman
1928-2006

Dr. John W. Coleman has many legacies to his credit – 16 years on the Beverly School Committee, a 36-year celebrated and illustrious career as a Physicist, Inventor and Educator, 93 papers, 7 patents – the list goes on and on. However, he is probably best known in Beverly for his work for, about and in Beverly High School.

Dr. Coleman had a vision that combined his love of science with his love of education. It was the mid 1970's and the energy crisis was upon us. He envisioned making Beverly High School a national focal point – a grand example of a solution to the energy crisis, an awareness campaign for environmental issues and a renewable energy education center. Even before he joined the Beverly School Committee in 1976, he had conceived of the idea of a small, flat panel solar power system at Beverly High School. Others came on board, and the scope of the project grew into a proposal for a 4-acre array of tiltable panels, including a weather station, lightening arrestors, and a computer system where students could analyze data read-outs in a dedicated room called "The Sunroom".

Coleman's work brought about a historically significant act, the 3 million dollar proposal that was funded by President Jimmy Carter and incorporated into a nationwide study of photovoltaics. The resultant 100 kilowatt photovoltaic array, which was constructed on the hillside above Beverly High School, went on line in 1980. Since then, the array has generated electricity nearly non-stop and is used as an educational tool for students, teachers, and community members alike. It is the only site of its kind east of the Mississippi, and the only one of eight originally funded sites by the Carter Administration still remaining.

Dr. Coleman worked at RCA and MIT during his career as a Physicist, first as an inventor working on electron microscopes, then in research for Electron Optics and Laser and Plasma fusion. While at MIT, he continued his commitment to education by serving as a member on the Board of Directors of the Massachusetts Association of School Committees (MASC) from 1983-1988. In 1986, he assumed the role of president of the MASC. During this time, he spearheaded a state-wide renewable energy awareness campaign. Dr. Coleman also served as a member of the President's Advisory Council of the National Schools Boards Association from 1985-1987 where he again promoted renewable energy education.

In the early 1990's, Dr. John Coleman resumed his renewable energy work in Beverly High School at Solar Now, Inc., where he served as Science Director for 10 years. He taught units on renewable energy in physics classes at Beverly High School and helped write the Framework for Science and Technology for the Massachusetts Department of Education in 1995-1997. Dr. Coleman was the technical expert of the Solar Now team and frequently met with parents and their children regarding specific projects and acted as technical consultant on any science-related Solar Now initiatives.

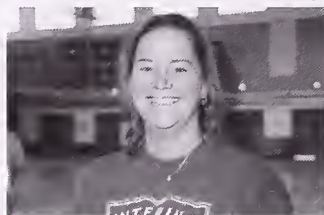

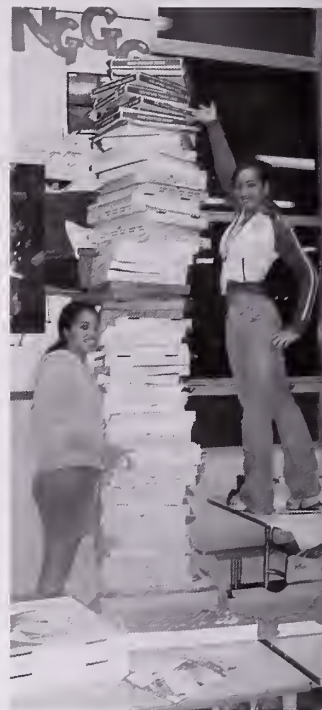

Dr. John Coleman was a champion for both education and renewable energy and emphasized how the two should go hand in hand, for the sake of the future of humankind and our Earth. He was a beloved member of the Beverly community, and he will be missed, but his legacies, particularly at Beverly High School, will live on.

"We need to go undefeated at home, and not lose when we're away" - Coach Dave Jellerson

Kelly O'Connor '09 was amazing this season as she went undefeated all season until the State Meet where she achieved an impressive 12th place.

Becky Manganaro '06. Even after breaking her arm, Becky managed to stay in the top five, and she was named an NEC All Star.

The girls started off the season strongly with a win at Marblehead. After four consecutive years of defeat, the XC girls swept the meet to end their streak. This was only the beginning, as they went on to win all ten of their conference meets, and the NEC Championship meet. Both the JV and Varsity girls teams won their meets easily. The top 7 Varsity girls received NEC All-Star awards, with all seven runners in the top ten. They finished the meet with a record score of 19, compared to the second place score of 73 points. The difference in score shows the teams total domination of the meet. The JV team had all of their girls in the top 20 places. The Varsity girls had their first disappointment when they missed the State Meet by only 5 points due to illness.

Led by captains Chris Ethier, Greg Halle, and Greiven Lehman, the boys soccer team concluded their regular season with a 1-0 victory over Marblehead to clinch the title! Sullivan and Gonzalez proved to be offensive weapons for Beverly, producing crucial goals in tight games. Ethier, Lehman, Martin, Harrison, and Dube have contributed to the Panthers success by controlling the midfield. The defensive wall of Melanson, Boches, Cuko, and Baker were very solid with the help of Halle, who was unstoppable between the pipes. Coach Leahy and his boys' high expectations for a deep tourney run were crushed after a 2-0 defeat in the first round. Despite this unfortunate loss, the boys proved to be the top team in the North Eastern Conference!

GIRLS Tennis

2nd Place in the North Eastern
Conference!!!

This season the girls team ended with an impressive 11-2 record. The only losses were to Marblehead. The team was not easily defeated, taking Marblehead into three sets with the 1st doubles team. The Varsity team easily defeated the other towns to place second in the NEC conference.

The girls will lose two varsity seniors, Katie Ready and Nicole Zarkades, who played first and second singles, respectively. Freshman Sabrina Salmela played third singles. First doubles was played by junior, Jamie Sebastian and sophomore, Meghan Corcoran. Second doubles was played by freshman, Kellie Shea and sophomore, Amanda Krugman.

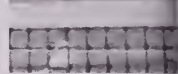

Next year's captains will be Jamie Sebastian, Amanda Krugman, and Meghan Corcoran.

Senior Captains Briana Grenier, Nicole Zarkades, and Katie Ready will be missed next year.

FIELD HOCKEY

First tournament berth since 1989, ends 16-year drought

"We all went above and beyond our expectations and accomplished great things."
Junior Emily Traicoff

The Beverly High School Field Hockey Team had a tremendous season in 2005. After finishing .500 in the regular season, the field hockey team qualified for the Division 1 North Tournament for the first time in sixteen years. Led by senior tri-captains Erin Hadley, Roz Murphy, and Dani Cotter, the field hockey team progressed throughout the season. Roz Murphy was awarded MVP honors of the team, as well as being named a Salem News All-Scholastic Athlete. Erin Hadley won defensive player of the year honors for the Panthers. Although the seniors will be greatly missed next fall, the field hockey team is optimistic about their chances at success in the years to come. Second year head coach and former Michigan University All-American Julie Flachs is excited about the upcoming season yet sad to her old team drift away. Flachs commented, "We had a great year; it's sad to see it end."

BOYS CROSS COUNTRY

"We've got a good nucleus of kids, its going to pay off in the end." -Coach Dave Jellerson

Jason Kruczynski had a shockingly impressive year as a junior captain, winning some races and doing very well in others.

Todd Norton had a great year as a senior captain, always helping out the team in races with his consecutive top five finishes.

The boys did well all season, ending in Salem with a respectable record of 7-3. In the NEC meet, the boys came in 4th place with junior Jason Kruczynski in the lead, placing 4th. Jason was named an NEC All Star for his 4th place finish. The JV race was led by Ben Chapman who came in 8th place. The other JV boys also did considerably well in the race. Captains Jason Kruczynski and Todd Norton performed well all season, improving their times, helping out the younger teammates, and encouraging athletic excellence. Jason Kruczynski only missed by a few spots to qualify for the state meet as an individual.

The most notable of the boy's meets was in Salem. Some boys took wrong turns, with their first runner in the back of the pack, bringing about more work to finish with a win of 32 points.

Girls soccer had another productive season under 2nd-year coach Kristin Macdonald, capturing the NEC Sportsmanship Award while developing a variety of underclassmen players. The team's record truly did not reflect their level of play, as the Panthers hung tough with every top team in the conference, never allowing more than a two-goal deficit to any NEC North opponent. As visitors in Deering Stadium, the Panthers held arch-rival and perennial league champion Danvers scoreless until the game's final minutes, when the Falcons squeaked by after being awarded a penalty kick. Amazing team chemistry was the hallmark of the season for the girls, who became like a family and had an incredibly memorable year behind the leadership of seniors Annie Baker, Jacqui Norton, Holly Galvin, Mary Bailey, Chanel Robinson, Ciara Camire, Liz Menesale, and Amy Thomas.

GOLF

"If you want to win, you've got to put Bobby in."

"We had a great season.

I really enjoyed my four years on this team. I'm going to miss all the great times I had." -Bryan Sakamoto (Grade 12)

"I really learned a lot this year and I'll never forget all the lessons coach taught me."

-Bobby Larson (Grade 12)

The Beverly High Golf team finished with an 8-2 record this season. The team also finished the year third in the NEC. With their winning record, the team qualified for the State Tournament. They finished thirteenth place with Bryan Sakamoto shooting the low round. Two other key players were Jordan Luangrath and Derek VonSwek. Both of these players were also named NEC All Stars. The team will lose three seniors for next year's golf season. Seniors Patrick Sullivan, Bryan Sakamoto, and Bobby Larson played key roles in the team's overall performance this year. Next year, the team will be ready to contend for the NEC title once again.

Coach William Ferman, Captain Bryan Sakamoto, Coach Tom Smith, and Captain Ty Lapointe

FOOTBALL

.500 season for the first time in time in
six seasons

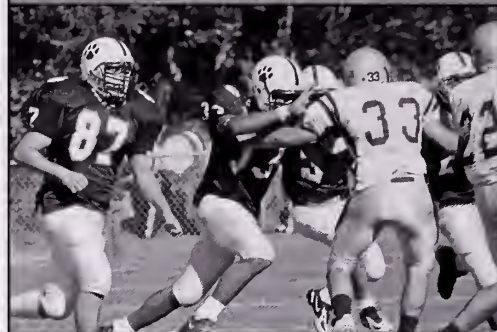

"These kids have finally earned their respect. They come to work everyday and pay the price for it."
-Head Coach Dan Bauer

The Beverly Panthers football team had very high expectations going into the 2005 season. They came out cold, dropping four of their first five games to powerhouses Lynn English and Danvers. During their first game star quarterback J.P. Kehoe went down with a season ending injury. Everyone thought the season was lost, but the Panthers kept playing. The Panthers won their next four games and finished the season at a mark of 5 and 5. Pat Bailey emerged into a star running back, and shared the Co MVP title of the Conference. The Panthers best games were their thrilling victory over a heavily favored Lynn Classical team and an upset over Gloucester.

Beverly's offensive line opened up holes that led to Pat Bailey's record breaking season. Bailey ran over 1,300 yards this year as a junior and will return to anchor a strong squad next year.

Beverly will graduate twelve seniors from the 2005 team. Sean Curtis, Nick Abraham, Jim Cross, Jay Norton, John Pappas, Sean Hutchinson, Steve Hutchinson, Brian Michaud, Kenny Pierre, Joe Ryan, Chad Newman and Scott Willard went out in style with four straight wins to end the season.

MARCHING PANTHER BAND

Despite quite a rainy season and a few standstill competitions, the marching band earned a silver medal at MICCA Finals for their challenging show, "Windspints and Persistence"!

THE MATCHMAKER

Thornton Wilder's play, "The Matchmaker," was performed by the Fine Arts Department in the fall. It was directed by English teacher, Mrs. Taylor, and her assistant, Darcy Milburn, who stunned the audience by filling in for Mike Detorre on opening night. Other lead roles included seniors Maxine Schlein and Antonio Hernandez. Congratulations to all involved. "The Matchmaker" was truly a success.

● PROM FASHION SHOW

The Prom Fashion Show was a big hit this year. It premiered on March 22 and featured many of this year's best dressed girls and guys.

The girls of '06 modeled some of the newest designs for this year's prom in gowns donated by French Bridals of Beverly Farms. Paula's Hair Salon at the Cummings Center styled the girls' hair and did their makeup.

The guys modeled all different style tuxedos from Mr. Tux before being auctioned off for the dates to the Celtics game. Three of the guys went for \$100! The biggest winner of the night was probably Channel Robinson '06. In addition to having the winning bid of \$40 on tickets to a Celtics game and Kenny Pierre as her date, she won a \$275 gift certificate donated by French Bridals of Beverly Farms!

VOLLEYBALL ● TOURNAMENT

The enterprising Class of 2007, the juniors, scored again this year with the debut of the First Annual BHS Volleyball Tournament. The winning team included Pat Bailey, Seth Stantial, and Eric Melansen, who edged out the competition of 17 other teams.

The Swim team this year has had another successful season. The final record was 6-1, losing to Marblehead (103-73).

Swim Team had great depth this year, more than any other year. This year, they took eight girls to the State Championship Meet at Wellesley College at the end of February. Jackie Davidson, Kristen Zarba, Molly Curran, Vanessa Athanas, along with

newcomers Katy Loubris, Erin Harrington, Nicole Acciavatti, and Freshman Kelly O'Connor competed in all eleven events, along with the three relays.

The Swim Team was well balanced and all relays and events were strong. The girl's team ended up finishing second in state championship. It was a great year!

Captains Daniel Meyer, Julie Sharkey, Kristen Zarba, Jaclyn Davidson, and Coach Brian Cameron. Jackie Davidson not only broke her own school record in the 100 backstroke, but broke the state meet record as well. Davidson and Dan Meyer were named female and male NEC Swimmers of the Year.

Girls Track

The Girls Indoor Track Team snatched the NEC title with a sweeping 10-0 record, leaving all competition in the dust, including 4-year-rival Marblehead.

Coach Dave Jellerson with Senior Captains Jacqui Norton, Becky Manganaro, Christina Davis and Ciara Camire. Other helpful seniors on the team include Megan Oullette, Katie Accomando, Roz Murphy, Liz Boyle, Erica Silva and Krystal Dossett. The captains for next year have been announced as Sunnie King, Jessica Settles and Marianna DiMaggio.

The only individual NEC All Star was Jacqui Norton in the 2 mile with a time of 12:14. Jacqui also came in 13th in the State for the 2 mile with a time of 12:04. Christina Davis served as the NEC Conference MVP with her many talents in the 50 yard dash, the hurdles and the high jump. Davis broke the school record in the 55 hurdles with a 9.09, 16th in the state.

Girls Basketball

The Basketball Team had a very successful season ending the year above .500, qualifying for the state tournament for the first time in 5 years.

Senior tri-captains Jen Sciamanna, Kathryn Palm, and Kelly McGovern are pictured here with head coach Matt Smith.

One of the highlights of the season was beating NEC powerhouse Lynn Classical. It was the first victory over the Rams for Coach Matt Smith, who is in his 6th year coaching. The Panthers really came together and showed what they could do. A surprise this year was the emergence of the Junior guard Shaina Manuel.

She had a breakout season that contributed to many of Beverly's wins. Other key contributors this season were captains Jen Sciamanna and Kathryn Palm, Brittany Batchelder, Catie Cullen, and Nicki Nardella. The Panthers are only graduating three seniors and seem to be prepared for another successful season next year.

The Beverly High School boy's basketball team captured the NEC South Title this year, qualifying for the Division II North Men's Quarterfinals. After an 11-9 regular season record, the boys lost to Woburn in their tournament opener. After a roller coaster of a season, the boy's basketball team took the NEC South crown with an 8-7 conference record. The basketball program will have a bright future after graduating only four seniors in 2006.

Ice Hockey

The hockey team suffered the loss of four key seniors after the season concluded: Ryan Paradis, Drew Johnson, Andrew Dean, and Nick Lovasco.

After an incredible tournament run last season, the Beverly High School Hockey Team suffered a long and tough season, finishing with a 5-14-1 record. After a fast start at 2-1, they went into a 1-6 slump and were not able to rebound.

BHS did have some great wins against powerhouse teams

Peabody, Saugus and Danvers. Two All-Stars represented the Panthers this year: Captain Senior goalie Nick Lavasco and Sophomore defenseman Alex Baker.

A young hockey team this season, BHS promises to be a threat in the NEC next year.

Girls Ice Hockey

This was the first year that BHS participated in a girls hockey program. Beverly joined with city rivals Danvers, Salem, and Saugus to form a co-op team.

Rachel Konaxis (above) earned the role of tri-captain for the Beverly Panthers. Konaxis, a sophomore, led her team with 28 goals and 14 assists. She and Michelle Perrin, from Saugus, were named League All-Stars for the 2005-2006 season.

HOCKEY

Six girls participated on the girls hockey team. L to R: Sophomore Rachel Konaxis, Junior Lauren Bolger, Senior Caitlin Cantin & Bethany Hurley. Missing: Senior Alanna Birner and Sophomore Maddy Wrable.

Coach Fiona Rice played for Northeastern University, where she was twice named Beanpot Tournament MVP. She helped lead her team to two ECAC titles and four Beanpot wins while she was there. Coach Rice holds the Northeastern career assist record and is second in career points. Having played and coached hockey for almost 30 years, she was thrilled to be a part of the co-op program.

Aegis

For over 100 years *Aegis* has been Beverly High School's art and literary magazine. *Aegis* provides Beverly High School student with the opportunity to express themselves creatively in all forms of 2D visual art, poetry, and prose. This year they recieved \$1000 in donations followingan article in the Beverly Citizen about their budget problem. The tradition lives on!

African Drumming

The African Drumming Club was started this year by senior Pete Cohan. Members meet weekly and learn and practice traditional Aftican rhythms. Sabar and hand tecniques are used. Members are encouraged to bring their own drums but there are a few extra drums each week. Drummers use djembes, the most common type of African drum.

Anime Club

In its second year of establishment, the Anime club has returned. Anime is a form of Japanese cartoons. Anime club hosts at BHS every Tuesday after school. From Helsing to Evangallion to chobits; there is exciting animation, fun to watch and humorous. Henry Le, who started the club, is ecstatic about the club's success. There is nothing better than watching Japanese cartoons with your friends on a Tuesday afternoon. Every year in May, there is an Anime Convention, which is held in Boston for three days. The Anime club works extremely hard on raising enough money to go. It's forty-five dollars per person. Imagine, visiting to a convention meeting all of your favorite characters. It looks like the Anime club made significant progress each of the last two years. It hopes to become a more popular club for years to come.

Art Club

Spearheaded by Katie Nelson and Stacey Sargent, the Art Club meets weekly. Meetings are very informal and students work on a variety of things during meetings. Activities range from personal artwork to group artwork. The Art Club has done many projects including murals, pinwheels for peace, and props for plays and musicals. The club is hoping to organize an empty bowl project for hunger in the Spring.

Athletic Training

This newly formed club was established to appeal to students interested in the field of sports medicine. Activities in this club include discussion of sports related topics, field trips, and possible internships with Certified Athletic Trainers. The officers of this club are Pete Davekos, Caitlin Cantin, Holly Galvin, and Priscilla Ebersole.

Best Buddies

Best Buddies has had a successful year creating new friendships and enjoying many outings. Together with the Special Education Department, trips and events such as pizza parties, movies, a haunted hayride, and a Celtics game were enjoyed by club members. Best Buddies is always looking for new members that are willing to make a difference in their school community.

Beverlega

The Beverlega, Beverly High School's yearbook, continues to expand and advance this year. Digital technology has allowed for great improvements in photo cropping and layout designs. While one may often find only one or two people at a time up in the small room off of A204, the yearbook is worked on throughout the year by dozens of students. Not only is there a regular staff, but also many of the write-ups for clubs and sports are contributions from the Journalism class. the regular yearbook staff meets before and after school on Thursdays in A204 and is open to students of all grades. Everyone is able to find a task because the yearbook requires skills in everything from photography to computer maintenance. And of course, Beverlega owes a hearty thanks to Ms. McCafferty, who keeps us sane and pays the bills. Thanks to everyone who helped make this yearbook possible! - Liza Coburn (06), Editor

Computer Gaming

Computer Maintenance

If you're either really into computers or you want to learn more about computers; computer maintenance is the right class for you. Computer maintenance, which is taught by Mr. Bamberger, is a 5.0 credit pass/fail class where you learn how to build and fix computers. For the final, peers have to take apart the computer and put it back together. If you want to be a computer maintenance intern, students are required computer maintenance unless you are really good at fixing computers. Ms. Gougian is the computer internship teacher.

DECA

This year DECA, the competitive business league at Beverly High School, sent sixty-eight students to the regional competition, with thirty-eight students moving on to the state competition. From there, Liz Curran, Charlotte Kelly, Katherine Morse, Max Cohen, Sean Hutchinson, John Vavladellis, and Matt Levesque qualified for the national level. This accomplished team is led by Mrs. Marescalchi and Ms. Sudak, the business teachers at Beverly High School.

Gay Straight Alliance

The Gay/Straight Alliance meets one morning a week. The club provides a safe and friendly environment for all high school students to discuss issues affecting gay, lesbian, and bisexual youth. The GSA has a goal to help promote diversity and teach tolerance. We visit health classes, host guest speakers and plan the annual Day of Silence. Another huge part of the club is laughing with each other and having fun.

German Club

The German Club is a relatively new club that extends the learning of German further than the classroom. The club's activities consist of watching German movies, organizing the foreign exchange trips, German theatre improvisation, board games, having parties and eating mass quantities of German foods. During the summer of 2006, six German students, will be attending an exchange in Bargteheide, a suburb of Hamburg. These six students must make a pledge never speak English while on the trip. This type of special exchange will be offered every other year, opposite to the offering of AP German. Students may still take part in the normal Nuremburg exchange the following year. We will be welcoming the students from Bargteheide in October 2006.

Habitat for Humanity

Habitat For Humanity works in conjunction with the local affiliates responsible for building three affordable houses in this area. They also work with other high schools in order to raise money and help at build sites. This year, Habitat held many fundraisers, donating over \$500 to help build the current Habitat project in Salem. Students will also be involved in an annual auction that also helps to buy more land and supplies for house building. Officers include President Amanda Nichols, Vice President Elizabeth Boyle, Secretary Caroline Trainor, and Treasurer Jackie Willworth.

Hip Hop Club

Established in 2004 and sponsored by history teacher Mr. Eastman, the BHS Hip-Hop Dance Team was created for students by students as a place for the creation of Hip-Hop, R&B, and Reggae influenced dance moves similar to the ones seen in music videos. This year, the club found an enthusiastic new leader Terrell Greene. Terrel, Chanel Robinson, Jason Pontachelli, Bethany Boccia, Emma Barbin, and Annemarie Ngoth now make up the team, along with new members. The team has performed on several occasions for the student body and showed off their style and fresh choreography at the winter pep rally in March. The group plans to perform much more in the future.

Key Club

The Key Club is a community service group that is the student-based branch of Kiwanis International. The goal of the Key Club is to help out as much as possible on various school and community projects. Some of the projects that the Key Club has worked on include a Dr. Seuss breakfast for children, making holiday cards for the elderly, and knitting scarfs for the needy. When the tsunami hit, Key Club worked with the art department in the fund raiser known as "wind wishes." Pinwheels for Peace were also run by Key Club and the Art Club.

Library Aide

The job of library aide is extremely stressful. Not only do library aides need to know the entire alphabet, they need to also know all of the numbers up to 999.99! The library aides have to read all of the magazines to make sure that they are interesting before allowing other students to read them. They must also tell Mrs. Fecteau jokes and remember not to touch her computer. Running errands and reading novels are also an important part of the library aide's responsibility. Only the bravest of Beverly High School Students manage to live through the experience.

Statement of Purpose

The Ledger is a newspaper written and produced during the school year by the students of Beverly High School. Founded in 1979, The Ledger provides students with a forum for information and an introduction to journalism. The Ledger's aim is to explore issues of importance to the students, faculty, staff, administration and parents of Beverly High School and to report on events of interest. None of the views expressed herein reflect the opinions of the Beverly Public Schools, its officers or employees. Editors are chosen by the faculty advisor, are unpaid, and participate on The Ledger on an extracurricular basis. The faculty advisor is chosen by the school administration. All educational and non-academic programs, activities, and employment opportunities at Beverly High School are offered without regard to race, color, sex, religion, ancestry, national origin, sexual orientation, disability, and any other class or characteristic protected by law. Students at Beverly High School are welcome to participate on The Ledger as writers, photographers, columnists, cartoonists, or artists. For more information, contact Mrs. McCafferty or Holly Galvin in A204.

Letters to the editor by students are encouraged. Letters should be signed, but unsigned letters will be considered for publication. Submit all letters to The Ledger at: theledger@yahoo.com. The editors do not guarantee that all letters will be published.

Math Team

The Beverly High School Math Team, captained by seniors Caroline Mahoney and Zack Decker, had a very exciting season this year. In addition to hosting the November meet, the team came in second place at their final meet. Members of the team competed against students from other schools in a variety of categories, from the arithmetic to logarithms. Some high scorers from the team included Caroline Mahoney, Zack Decker, Amanda Elliot, John Upton, and Erin Harrington. Much of the team's success was due to their coaches, Mrs. Dube and Mr. Clement.

Middle Eastern Dance

The Middle Eastern Dance Troupe, in the first year at BHS, is dedicated to learning traditional female folk and belly dances from North Africa and the Mediterranean. It is an all female troupe, which dances choreographies each week to music from Africa, Greece, Turkey, Arabia, and India as well as Middle Eastern techno. The Middle Easter Dance Club is a creative and rhythmic club in which dancers learn drum solos, veil dances, and much more. The Middle Eastern Dance Club would like to thank club advisor, Frau Sanford for a job well done this year.

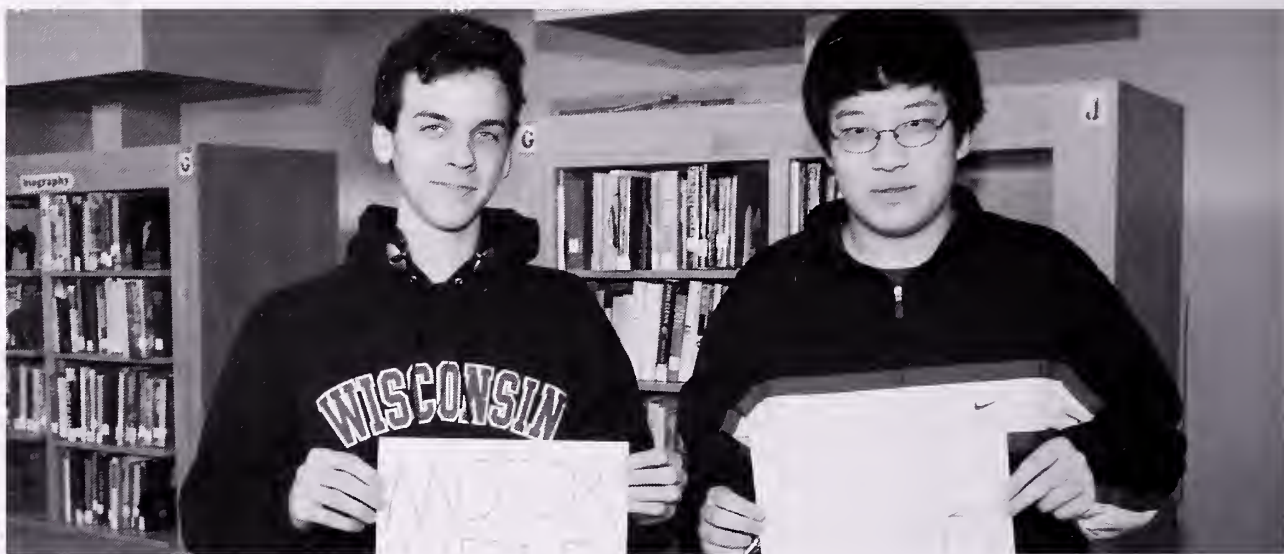

MCJROTC

Model UN

Is it possible to have fun talking geography and politics in the BHS library after school? You bet your western business attire slacks it is! This year's Model UN group got off to a rocky start, surviving advisor issues, finance concerns, and the complete absence of boys. With the leadership of president Vanessa Valdes and officers Darcy Milburn, Izzy Pulido, and Hannah Howard, the club was able to pull through along with Ms. Ronan and Ms. Brown.

Motor Heads

We have been to many places. We drive our cars all day after school. We visited a junkyard to look for spare parts. We take many trips after school to the car restoration clinics. The only members are Colin and Steve but we refuse to let our club die. We love cars and we will drive them for the rest of our lives.

Colin's Favorite Car--'89 Tercel

Steve's Favorite Car--'74 Pontiac Firebird (Red Only)

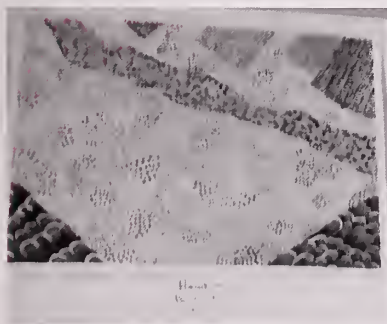

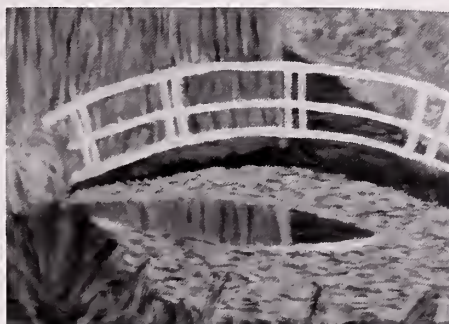

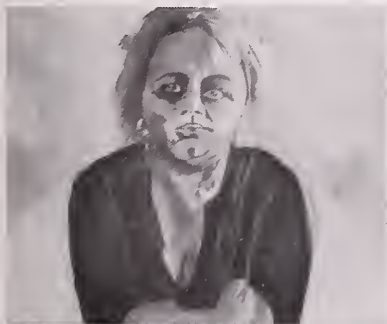

National Art Honor Society

The National Art Honor Society at BHS is a part of a national chapter that recognizes students who excel in art (class average of B or better), are recommended by an art teacher, and contribute to the community through art service projects. Megan Nash, Stacey Sargent, Katie Nelson, Nikki Acciavatti, and Alex Skerry founded the chapter last year. Over the summer, these students worked on a mural for the children at Beverly Hospital Day Care.

This school year, our numbers have swelled to sixteen. Students this year include Nikki Acciavatti, Joe Clemenzi, Erica Decker, Anthony Dipaolo, Dan Ebersole, Hannah Israelsohn, Jessica Miedzionoski, Darcy Milburn, Heather Nessinger, Alanna O'Grady, Karen Koo, Katie Nelson, Katie Prince, Megan Nash, Stacey Sargent, and Alex Skerry. Community service projects this year have included bake sales to raise money for art supplies for Katrina victims, art projects with the seniors at the Herrick House, and arts and crafts with the North Shore Education Consortium (located here at BHS). Seniors this year will march with the NAHS Honor Cords.

Science League

Science League had another great year! The team did not do as well as we did last year, because we missed a November meet. However, more underclassmen than before joined the team this year. I hope they are successful in keeping Beverly's competitive spirit alive for next year. Overall, Beverly was in the top ten teams of the thirty local teams that showed up for each meet this year. Whatever the event was, ranging from building mouse trap cars all the way to predicting chemical reactions, our science league team showed off some great scientific knowledge and had much fun in Beverly High fashion. I personally hope that the team that will form next year will be as lively and competitive as this year's great bunch of Beverly kids! Good luck to next year's students! - Dmitri Boulauov, Captain

Student Senate

The 2005-2006 student senate broke the mold of the past several years. As the most innovative senate yet, we spent our Wednesdays actually finding and accomplishing solutions to problems in addition to just talking about them. This year we changed out by-laws thereby imprisoning our electees to two years of sitting in Mr. Kelleher's room after school once a week. We are also now in charge of organizing all student elections and addressed grounds and maintenance issues. In the future, we look forward to receiving your complaints and trying to help fix them!

Spanish Club

The Spanish Club, led by Mrs. Rodolico-Linskey and Ms. Buccella, spent much of the last year planning and preparing for the trip to Spain. Co-presidents Mary Bailey and Zack Decker planned bake sales, ice cream sales, and a raffle calendar to raise money for the trip. Locations of the 10-day voyage include Madrid, Seville, Granada, and Costa del sol. The club concentrates on learning about Spanish Culture and becoming immersed in a different world.

Sports Announcing

Perhaps no three voices are as widely recognized in the halls of Beverly High School than those of Sam Hill, Chris McDonough, and Trevor Levine. Why? These three BHS juniors have been offering color commentary via BevCam, the community broadcast channel featuring Beverly High students and their work. With a camera, a couple of microphones, and an interest in sports, Beverly sporting events have never been as entertaining as they are now. - J. Michael Nardella

Table Tennis

Matt Marquart, a junior here at BHS has the idea of this club when he was a freshman. After running the club out of his basement throughout freshman year, Matt decided to go further with his ideas. The club became an actuality when Mr. Eastman decided to sponsor Matt and other co-founder Pat Bailey. Also, to acquire the necessary equipment, the club received donations from its members. In addition to these donations, the team played tournaments and the proceeds went to buying a table. Matt noted that he is very grateful for the PTO because they doubled the money that the club raised during tournaments. The club now has new tables that are in great condition. They meet twice a week in the cafeteria and are excited to get started and challenge nearby schools.

Ultimate Frisbee

World Of Difference

The members of World of Difference work to make Beverly High School a safer and more welcoming place for all students. They meet weekly, giving up their lunch hours to plan workshops for freshman English classes. Every year this program grows and reaches out to more students.

Site Council

The Beverly High School Site Council works each year to improve the school. From revising the mission statement, the school improvement plan, and reviewing the district improvement plan. We also will be looking into plans for the new high school. We have instituted programs to improve MCAS scores and reduce stress among faculty and students. Site Council meets once a month and it is made up of 4 teachers, 3 community members, 4 parents, 4 students, and Dr. Scuzzarella.

Chorus

The chorus continues to grow, this year numbering over 180 members. Although the group is split for classes, they unite for 3 concerts each year and the annual music trip competition. Ms. Pilanen continues to teach a challenging repertoire to all who are interested, regardless of prior experience. Chorus members are encouraged to enjoy themselves but also to try their best.

Concertquaire

Concertquaire, an all-female singing group, continues to grow in members this year. The members compete in the regional MICCA (Massachusetts Instrumental and Choral Conductors Association) Festival and also in another competition while traveling on the annual music trip. This year, the girls, under the direction of the talented Ms. Pilanen, advanced to more difficult material and are enjoying the challenge.

Stage Right

The Stage Right Drama Club has produced some amazing shows this year. Whether performing comedies ("The Matchmaker" by Thornton Wilder), or dramas ("If Kitchen Tables Could Talk" by Vanessa Valdes), the club has proved that it is as versatile as it is creative. What does it take to pull off a play? Cast members memorize lines and work on refining their acting skills by doing diction, volume, and accent exercises, and crew members make sure the show runs smoothly with light, sound, and prop cues. Sound like fun? New members are always welcome!

Strings

The Beverly High School String Ensemble continues to grow this year under the direction of Mr. Novack. The ensemble consists of viola, violin, cello, and base instruments. The group works hard throughout the year to compete in both regional competitions, and a competition while on the annual music trip. This year, the ensemble will graduate seniors Joe Clemenzi, Bri Grenier, and Katie Bushey.

Vocal Ensemble

Vocal Ensemble is an audition-only mixed choral group. The members practice every other day opposite the Jazz Band. They compete annually in the MICCA- Massachusetts Instrumental and Choral Conductors Association- Festival and on the yearly music trip. The members perform a wide variety of challenging repertoire.

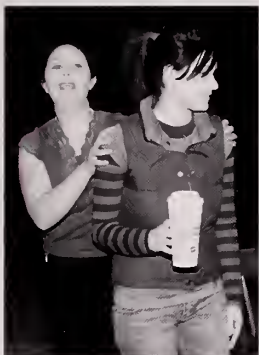

Jazz Band

The BHS Jazz Band is directed by Mr. Novack, who is not only the music teacher, but also the president of the IAJE (International Association For Jazz Education). The band consists of twenty-two members making up a rhythm, saxophone, trumpet, and trombone section. At the end of February, BHS hosted and competed in the Northeast Senior Festival, at which the band earned a gold medal. This gold medal allowed the band to qualify to compete at State Finals at UMASS-Lowell. This year, the band will graduate seniors Sean Cronin, Jenna Johnson, Jon Kenney, Pete Pilanen, Megan Oulette, Matt Eastburn, Liza Coburn, Phil Colangelo, Griffin Coombs, and Kevin Tobyne.

If Kitchen Tables Could Talk by Vanessa Valdez

Drama Fest

This year, Beverly High School's entry to the 2006 Massachusetts High School Drama Festival, *If Kitchen Tables Could Talk*, was written by senior Vanessa Valdez. This original one act play is about a close knit family that finds world problems at its doorstep. The cast included Heather Goss as Eden, Vanessa Valdez as Ellen, Dan Kilham as Jack, Britney Smith as Ginny, Rachael Brown as Sarah, Matt Bocuzzi as Mike, and Sean Curtis. Professional actor and BHS alumna, Jason Waron, directed the production. Anna Roy was the stage manager and Elizabeth Taylor was the producer.

The Beverly Girls Track and Field Team were a very talented group of girls this year that combined hard work and dedication to capture the NEC Crown.

NEC Champs!

There were many important runners who made a difference in the team's scoring this season. Key sprinters were Becky Manganaro, Jen Pino, Amanda Close, Nicole Lemelin, and Roz Murphy. Key distance runners were Megan Oulette, Katie Accomando, Jaqui Norton, Jessica Settles and Kassandra Kluge. Key field athletes included Sunnie King, Krystal Dorsette, Kelly Shea and multi-talented Megan Oulette. Also, the girls were lucky to have some other multi-talented athletes including captains Ciara Camire, and Christina Davis, who both compete in at least two or three events at each meet.

Coach Desilvestre was helped out by Coach Jones with the field events this year. It was the first season that the field events have had a coach, and it definitely contributed to their success.

Boys Track & Field

The Beverly Boys Track and Field Team consisted of a number of key runners and athletes that helped get the boys to the respectable record they recieved this season. These runners and athletes included, Jason Kruczynski, Michael Sullivan, Brendan Norris, Brian Michaud, Doug Tibbets, Brad Olson, Dylan Kintish, and Anthony DiPaulo.

Run like the wind!!!

The Boys Track and Field Team showed a lot of strength and depth this season in every aspect of their sport. The boys excelled in distance events, sprinting events, hurdles, field events and relays. Although none of the boys qualified for the State meet, the effort that they put forth was tremendous.

The girls worked hard this year to qualify for the state tournament. Although they did not advance as far as they had hoped, the team was very pleased with their season.

Softball

The 2006 Panthers softball team enjoyed a winning season this year. The girls were able to clinch the North East Conference title for the first time in a few years with the help of senior captains Katie Ready and Natasha Thorpe. Starting off the year 6-1, they were prepared to go the distance.

Together!

The softball team this year prospered under first-year head coach, Dan McKenna. Although McKenna had been involved with the program for years this was the first that he was at the head of the program. Even after hitting a bump in the road with a string of losses against Winthrop, Swamscott, and Danvers, the girls were able to rebound to finish with a 12-6 record. The winning record awarded the team with home field advantage in the first round of the state tournament. McKenna was extremely happy with the team's season overall.

The 2006 Beverly Boy's Baseball team was represented in the NEC All-Star Game by junior shortstop Jeff Ackerman and junior outfielder Nick Tanzella.

Baseball

The 2006 Panther Baseball Team had a two-story season. Starting the year 2-6, the Panthers rebounded to win seven straight games in qualifying for the Division I North State Tournament. The Panthers were fueled by hard hitting outfielders Greg Halle and Nick Tanzella, shortstop Jeff Ackerman, and the pitching of Jack Leatherstich and Dennis Silvio.

Hit Hit Hit Run Run Run

The Beverly Baseball Team had a remarkable second half of the season. The boys had an incredible push late in the year to qualify for the State Tournament before being sent home by powerhouse Malden Catholic. Head coach Dave Wilbur praised the efforts of his team the entire season long and was happy with the progress they made from opening day to the season's close. The 2006 roster will graduate five seniors, but will ride a strong junior class into 2007.

Beverly qualified for yet another visit to the State Tournament under Head Coach Dave Wilbur. Wilbur and his coaching staff were pleased with the way the 2006 season played out and look forward to another spring.

The 2006 Beverly Panther Girls Lacrosse Team:
Annie Baker, Kelly McGovern, Jen Sciammana and Julie Sharkey.

Girls Lacrosse

The Girls Lacrosse Team fell short in their tournament expectations, as they finished the season with a non-qualifying record of 7-9-1. The Panthers were able to stay strong when leading scorer, Annie Baker, broke her wrist. The girls are hopeful for a more successful season next year.

Lets Go Girls!

The Beverly girls lacrosse team had a difficult season, starting with the injury to senior captain and leading scorer Annie Baker. The girls pulled together to make a strong push at the end of the season, just missing a State Tournament bid. Key players Liz Menesale, Julie Sharkey, Alyssa Accomando, Emily Traicoff, and Breezy Dwyer helped in leading the Panthers in 2006.

The 2006 Boy's Lacrosse Team continued the success of the teams of years past, extending their NEC win streak to 75 straight games

Boys Lacrosse

The Beverly Boy's Lacrosse Team had another successful season, winning their 13th straight Northeast Conference Championship. Following a slow start, the boys rebounded to make a strong push and qualify for the state tournament.

Beverly will suffer the loss of eight seniors, but will return a strong nucleus, including six NEC All-Stars, to next year's roster. The strong senior class helped lead the turnaround of the Panther's season and is wished the best of luck in their future endeavours. The Class of 2006 Panthers include Captains Brent Read and Jim Cross, Nick Abraham, Matt Clarizia, Kevin Concannon, Sean Curtis, Ricky Kee, and Todd Norton.

Above: Northeast Conference All-Stars Andrew Ericksen, J. Michael Nardella, Ricky Kee, Connor Murphy, and Todd Norton

Coach Devin Carr is pleased with the boys performances. 2006 proved to be a great year for his boys despite a tough finish. The boys worked hard to get as far as they did.

Boys Tennis

This year, the boys had a great season with a respectable record of 11 wins and 7 losses. The rising stars of the tennis team this season included the three tri-captains, Dan DiVincenzo, Jay Norton and Andrew Dean. Also, Aarish Sheikh, Sean Hutchinson, Brandon Dean, and Mike Sloan all shone for the Panthers this year as well. The most well known Panthers player this year was Andrew Dean, the number one singles player.

A New Journey for the Panthers

This year was the first year that the Boys Tennis Team was part of the Merrimack Valley Conference. The first round was said to be a great time for the boys while the second round didn't go so smoothly. The boys went into the Division 1 North Sectional Tournament on June 1st seeded 14th. At first, they finished off Billerica with a 4-1 win, then the third-seeded Andover ended Beverly's season with a 5-0 victory.

The National Honors Society recognizes students of outstanding caliber for its organization. In order to become a part of the National Honors Society, students need to express some of great characteristics in their school work and extracurricular activities. Students should show great character, scholarship, leadership and service. Students must receive respectable grades in school while also being highly involved in extracurriculars and volunteering. At the national honors society induction, students must light candles and say a pledge of the National Honors Society. Any student inducted should be proud of themselves for displaying such noticeable excellence. Mr. Bill Hardigan and Mrs. Nancy Schalch are the NHS advisors that help to run this great program.

Hola, Amigos!

From April 1st to April 20th, thirteen students and two chaperones, including Mrs. Rodolico and Ms. Buccella, all traveled around Spain. The group visited many beautiful cities including Madrid, Seville, Cordoba, Granada, Toledo and Costa del Sol. The group traveled to many museums, temples and churches and got a great view of the Spanish culture.

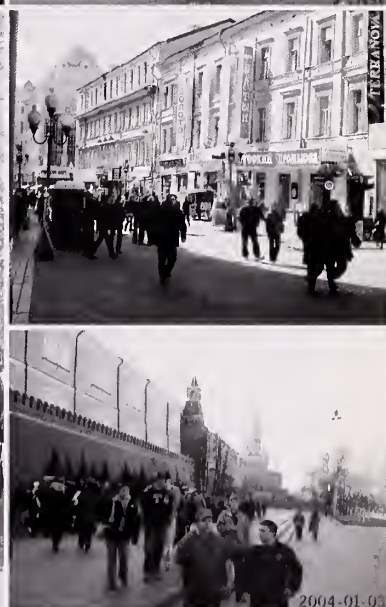

Russia

Another group of kids traveled to Moscow, Russia with two great tour guides, Mrs. Jan Preston and Mrs. Chernyak. Dmitri Boulanov also served as a helping hand for he was born in Russia, just like Mrs. Chernyak. The kids stayed in the hotel Salyot. The kids were busy during the trip sight-seeing, attending Russian schools and theatres, restaurants and shops.

DECA Nationals

This year the DECA program worked their way through tough competition into the Nationals. The nationals this year took place in Houston, Texas. Many of our own students got to travel to Houston and had a great time competing and learning in a new place.

Cooking Competition

This year, the culinary arts program at the high school went to a cooking competition to show off their skills. Unfortunately, the group didn't do so well, but the effort they put forth was remarkable.

Volleyball Contest

This year, the Junior class as a team, decided to run a huge volleyball tournament, which you had to pay to compete in. The tournament ended up being a great time for all and was a great cause in helping out the Junior class.

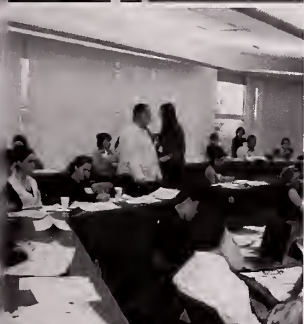

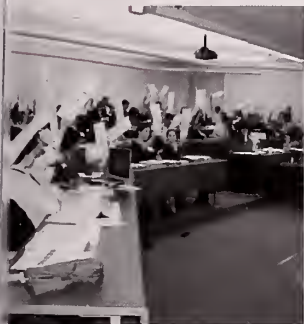

Caroline Mahoney
National Merit Finalist

This year, Caroline Mahoney, a senior at the High school turned out to be a National Merit Finalist because of her excellence and great SAT scores. Caroline was lucky enough out of thousands of students to be picked as a National Merit Finalist.

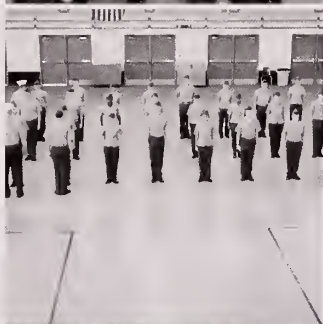

German Trip

The 2006 Trip to Germany was certainly one to remember. Mr Gu led a group of eager students to the cities of Berlin, Potsdam, Hamber and Bremen. The trip was extraspecial since Berlin was hostin the 2006 World Cup which th students got to experience first hand.

Model United Nations

This year, our advisors made a triumphant return in the second half of the year, and the team was able to attend a conference at Northeastern University.

ROTC

On May 30th, Captain Richardson and Sergeant Fluney inspected the MCJROTC cadets of BHS. They began the inspection by inspecting cadets and performing the drill card, a series of military drill movements.

Elementary Fun Day

This year, the junior class had a fun time hanging out and babysitting some of the elementary school kids in the gymnasium. The kids enjoyed arts and crafts and other entertainment in the gym.

Up All Night

Every year, after graduation, the Senior class gets to have an Up All Night party in the gymnasium. The senior class gets one more chance to hang out and have a good time with their classmates.

Philadelphia... The City of Brotherly Love

Just like every other year, the Band and Chorus takes an annual trip. In past years, the group has gone to Toronto and New York. On these trips, students have a great time and participate in competitions. This year, all of the musical groups did great in competition and got a chance to do some sightseeing as well. They ended their trip with a stop at Six Flags.

Baccalaureate

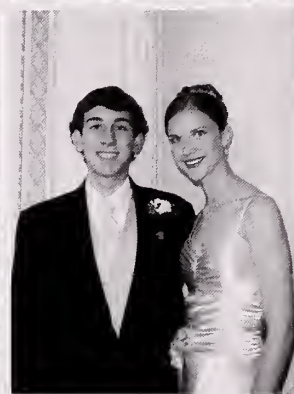

A Celebration of the Senior Class

The Baccalaureate is another chance for seniors to celebrate their achievements and spend time together. At the end of the year, seniors get many chances to spend time together and this was just one of the very fun occasions that they did. At the baccalaureate, seniors sing and light candles in honor of their classmates and memories.
